Housing is guaranteed for a first-year student's first and second years as long as the student applies by the application deadline. Students eligible for housing under this policy must be first-year students who are entering housing in the fall semester or current residential first-year students who are returning for their sophomore year. Transfer housing is guaranteed for the first 100 students who submit their enrollment deposit and apply for housing by the application deadline. Housing will continue to be provided to transfer students on a first come, first served basis pending availability.

## CARS ON CAMPUS

### First-Year Students

First-year commuting students may register and purchase a parking decal for one automobile and one motorcycle per academic year. First-year residential students are not eligible to purchase a parking decal but may purchase two weekly parking permits per semester. Online ordering of parking decals begins in early August.

### Transfer Students

Commuting transfer students may register and purchase a parking decal for one automobile and one motorcycle per academic year. Residential transfer students who have completed two semesters at another institution are eligible to purchase a parking decal. Online ordering of parking decals begins in early August.

# TOP 5 THINGS TO DO ON ASD

*We like to think of Accepted Students Day as an opportunity for you to create your own adventure on campus. If you'd like some guidance, though, here are a few things that you should be sure to do before you leave campus today.*

## 1

### Have a plan

Take a few moments to plan your day, using the Roar\* TCNJ app or the planning pages in your program.

## 2

### Go on a campus tour

Campus can look very different as an accepted student... walk around and envision your life as a student here.

## 3

### Attend your academic school or major's info session

Learn more about what your classroom experiences would be like as a TCNJ Lion.

## 4

### Stop by the Student Organization Expo

Lions roar outside of the classroom, too. Meet current TCNJ students representing many of our student organizations.

## 5

### Smile for the camera using #YesTCNJ

Post a photo using #YesTCNJ today on your Instagram account. Be sure to make it public so we can share it!
